

Baxby Awakening – Contributor Participation Agreement

Thank you for being part of Baxby Awakening. Your contribution is an important part of the energy, flow and purpose of the weekend. To help us plan the timetable and create a smooth experience for everyone involved, we ask all facilitators to agree to the following.

By signing this agreement, you confirm that you will attend Baxby Awakening on the agreed date(s) and deliver the session, workshop or activity you have offered at the scheduled time. The event timetable relies on every confirmed contributor being present, so please only commit if you are able to honour the booking.

We kindly ask that you do not cancel within 30 days of the event unless due to illness or unavoidable emergency. If anything changes on your side at any point, please notify us as soon as possible so we can adjust the programme accordingly.

Once confirmed, your name, workshop or offering may be listed in our event programme, schedule, website and social media announcements. This public listing forms part of your participation agreement, so please only confirm if you are committed to attending and delivering your session as advertised.

We will make sure your contribution is valued, supported and promoted as part of the festival, and we look forward to creating something truly special together.
