

## **Baxby Awakening – Media & Marketing Consent**

Baxby Awakening will have photographers and videographers capturing moments throughout the weekend to help share the experience and promote future events.

By signing this form, you give permission for Baxby Awakening and Baxby Manor to use photographs and video recordings of you, your workshop, or your stall for marketing purposes. This may include use on our website, social media channels, printed materials, and promotional campaigns.

This consent covers both images where you are clearly recognisable and wider shots that include you or your setup as part of the event atmosphere.

Once confirmed, your name, workshop or offering may be listed in our event programme, schedule, website and social media announcements. This public listing forms part of your participation agreement, so please only confirm if you are committed to attending and delivering your session as advertised.

If you have specific restrictions or concerns regarding photography, filming or public listing, please let us know in advance so we can accommodate you where possible.
